# VINEGAR PRODUCTS

Available in 5ltr HDPE Jericans

## **Driver's Malt Vinegar** 5ltr

Brewed from malted barley this brown coloured liquid has a distinctive taste and aroma. A great flavour for chips, pickling vegetables and for use in relishes and sauces.

## **Driver's Distilled Malt Vinegar**

Processed from Malted Vinegar, this is a colourless slightly more vinous tasting vinegar. As an alternative to Malt Vinegar, this can be used for pickling, relishes, sauces and marinades.

## **Driver's Spiced Malt Vinegar** 5ltr

Brewed with added spices, this product is ready made for the home pickler.

## **Driver's Non-Brewed Condiment** 5ltr

A commercial substitute for malt vinegar made from acetic acid. Widely used in Fish 'n' Chip shops and high volume pickling.

## **Driver's Non-Brewed Condiment with Onion** 5ltr

A commercial substitute for malt vinegar made from acetic acid flavoured with onion.

## **Driver's White Wine Vinegar** 5ltr

Made from white wine in Spain, this vinegar has an acidic flavour and aroma with a distinctive wine back note. Ideally suited for chutneys, relishes, sauces, marinades, and dressings.

## **Driver's Red Wine Vinegar** 5ltr

Made from red wine in Spain, this vinegar has an acidic flavour and aroma with a distinctive wine back note. Ideally suited for chutneys, relishes, sauces, marinades, and dressings.

## **Driver's Sherry Vinegar** 5ltr

A gourmet sherry vinegar produced in the Provence of Cadiz, Spain, it has a rich aromatic taste.

## **Driver's Balsamic Vinegar** 5ltr

4\* Balsamic Vinegar from Modena.

Perfect for pairing with Olive Oil and dipping with bread, as a salad dressing or cooking ingredient.

## **Driver's Spirit Vinegar** 5ltr

Made from fermented molasses with the alcohol converted to acetic acid it is regarded as the 'general run of the mill' vinegar for industry, colourless, with an acetic/vinous flavour and aroma. Used for vegetable and salad washes, high volume pickling, chutneys and sauces.

## **Driver's Cider Vinegar** 5ltr

A clear pale orange vinegar produced in Suffolk from an apple mash or cider. It has a sharp, crisp flavour and the aroma of apples/cider.

## **Driver's Concentrated Essence (7-1)** 5ltr

When diluted correctly this Concentrated Essence (7-1) will produce full strength Non-Brewed Condiment with a minimum acidity of 4% (as acetic acid) suitable for counter or table use.

## **Driver's Concentrated Essence (16-1)** 5ltr

When diluted correctly this Concentrated Essence (16-1) will produce full strength Non-Brewed Condiment with a minimum acidity of 4% (as acetic acid) suitable for counter or table use.
